ABOUT US

Originated from company CV. Daya Alam Indojoya which was formed in year of 2011, as a reason of potential exploration of resources a new company formed in 2014 under PT. SWARNA AGRO NUSA Operating from many areas in Indonesia such as Sumatra, Kalimantan, Sulawesi for take the source.

AGRO NUSANTARA focus on the main business processing Agriculture & Heritage, where more are focus to B2B as a supplier to manufacture by sending an intermediate product, through the process of supervision and management are good products that are produced to make the products are of good quality and can meet the demands of manufacture as end user.

PT. SWARNA AGRO NUSA cooperation with farmer and government to obtain sustainable source and managed profesionaly. In 2020 PT SWARNA AGRO NUSA have a change of share holders, with new share holder, PT Swarna Agro Nusa change his name and change the logo, the name become PT SWARNA AGRO NUSANTARA

PT SWARNA AGRO NOESANTARA
SHA GROUP

With the new name, PT. SWARNA AGRO NUSA has increase very significant growth. The company's turnover has increased sharply, and since then we started to expand into processed coffee bean and tea leaf. The company still do the palm oil business but started to do expansion to coffee and tea and began building network to coffee and tea farmer groups directly under the direction of PT. SWARNA AGRO NUSA. In 2020 PT SWARNA AGRO NUSA have a change of share holders, with new share holder, PT Swarna Agro Nusa change his name one more again and change the logo, the name become PT SWARNA AGRO NUSANTARA

Our turnover increased also in because we started to sell to countries - other countries such as Korea, Vietnam, Thailand and China, even our sales to Korea reached more than 50 containers in 2015. In 2015 our sales turnover reaches over 1 million dollars in the year. Our sales are not only dominated by products from oil palm, but some also have started selling coffee and tea just that we sell through traders

EXPORT MORE THAN 25 COUNTRIES

Our Products

Palm Sugar

Coconut sugar is also called coconut palm sugar. It's a natural sugar made from coconut palm sap, which is the sugary circulating fluid of the coconut plant. It is often confused with palm sugar, which is similar but made from a different type of palm tree.

Fried Onions

Our Fried Onion is a proud Indonesian heritage product, commonly used to enhance the flavor of a variety of dishes. Made from carefully selected ingredients and processed with strict attention to hygiene and international standards, our fried onions provide a crispy, savory topping that brings out the best in any meal. Perfect for adding a delicious crunch and rich flavor to your favorite foods.

WWW.SWARNAAGRO.CO.ID

Ginger Candy

Ginger is a type of spice plant which has the Latin name *Zingiber Officinale*. Ginger plants have the form of rhizomes or rhizomes, namely plants whose stems spread below the surface of the soil and produce new shoots and roots at each segment.

As with other ginger preparations, ginger candy also has many good health benefits because ginger can increase the body's immunity, relieve inflammation and digestive problems, and reduce symptoms of colds.

Honey Herbs
(MAGPLONG)

MAGPLONG is honey with 9 herbal plant extracts which can relieve stomach acid symptoms quickly, made from 100% natural ingredients without a mixture of chemicals. And this herbal honey is free from sugar

The ingredients are: forest honey, black cumin, turmeric, licorice root, spirulina, sembung leaves, bitter leaves, mint leaves.

Milkfish In Canned

Our canned milkfish is made from Indonesia's heritage fish, exclusively sourced from local waters. Processed in a modern facility that adheres to international standards, this product undergoes rigorous quality control to ensure exceptional taste and safety. With its rich flavor and premium quality, our canned milkfish stands out as a special product, ready to be enjoyed by seafood lovers around the world.

Coffee Capsule

We have superior quality capsule coffee, the aroma and deliciousness are truly different from the others.

- **RED CAPSULE**
Blend 25% Java Robusta, 25% Java Arabica
- **GOLD CAPSULE**
Java Fine Robusta
- **SILVER/BLUE CAPSULE**
Java Arabica
- **BLACK CAPSULE**
Blend 90% Java Robusta, 10% Java Arabica

Ginger Coffee

Made from carefully selected coffee beans and red ginger, our Ginger Coffee offers an authentic and rich experience. Unlike instant coffee, this product is available in drip form, allowing you to enjoy the full-bodied taste and aroma of classic coffee. With no added milk or sugar, this pure blend lets you savor the natural flavors of coffee and ginger, delivering a unique and refreshing beverage every time.

Gingseng Coffee

Our Ginseng Coffee is crafted from selected premium coffee beans and stamina-boosting herbs, including ginseng. This original product is not instant but provided in drip form, allowing you to enjoy the full depth of its flavor and aroma. With no added milk or sugar, this blend offers a pure and natural taste, making it the perfect choice for those seeking both a revitalizing and authentic coffee experience.

Robusta Coffee

Java Robusta coffee is also known as Coffee canephora. In general, higher coffee tree species can reach 12 meters is more resistant to weather and pests and diseases, and easily maintained than arabica coffee. Robusta coffee for living under an altitude of 1,000 meters above sea level. Crop yields even more. However, a matter of taste, it is no match robusta, The most famous java robusta from TEMANGGUNG, Temanggung its little town with 7 peak around this place make this java robusta its very special because have special character like as tobacco and chocolate.

Arabica Coffee

Coffee is originally planted in West Java was finally getting worldwide and loved by the people of Europe. The coffee is called coffee Preanger. But because it is so delicious, in Europe and then came the term "a cup of java", which signifies they enjoyed a cup of coffee from Java that they drink it. Currently coffee preanger becoming legend of indonesia coffee, Preanger coffee last year got the title at the world championship level flavored and taste coffee held in atalanta, Preanger Coffee to be mild or smooth coffee. For you coffee lovers with a soft flavor, then the Java Preanger coffee could be an appropriate choice to accompany your days.
